Can I request to be on a specific team, coach, or request to play with a specific child?

Our players are assigned to teams using a draft. Coaches will score players based on the player evaluations. We do **NOT** allow parents or coaches to reserve or request specific players/teams/coaches. We only have two exceptions to this rule – a head coach's child will always be on his/her team, and siblings in the same age group will always be on the same team. There is no

guarantee an assistant coach will have his/her child on his/her team. Team Moms are volunteers that you may select from your roster of players. You must be a head coach to reserve your child.

Where will games/practices be played?

Due to county budget issues, rental of school properties has risen to rates that will challenge MCAA when scheduling school facilities. Due to this fact, we will utilize Bogan Gym every day of the week. Previous seasons allowed MCAA to play games only on Monday, Tuesday, Thursday and Saturday. This season we will play games Monday thru Saturday and we will utilize Sunday as a makeup day in the event of holidays or winter weather closings of gym. Most games will be played at Bogan Gym, Osborne Middle School. Additional games and practices will be at the following: Harmony Elementary, Ivy Creek Elementary, Duncan Creek Elementary, Patrick Elementary, Puckett's Mill Elementary, Jones Middle School and Mill Creek High School. The exact locations for all teams will be published in October on the website after teams are selected. There are no guarantees that your child will practice or play games at any specific location.

What day will the games/practices be on?

The exact schedule for each team will be published in early November on the website. See the Calendar on the website for more information. We will have practices/games on Monday thru Saturday. However, in a few cases, it may be necessary to play makeup games on Sunday at Bogan Gym.

How late will practices/games be?

We will attempt to not have practices or games extend beyond 9:00 pm on any school night and 9:00 pm on Saturdays. Practice will be one hour per scheduled practice.

What are the age groups and can my child play with a different age group?

The age groups are 5-6 girls, 5-6 boys, 7-8 girls, 7-8 boys, 9-10 girls, 9-10 boys, 11-12 girls, 11-12 boys, 13-18 girls, 13-14 boys, & 15-18 boys. We use your

child's age as of September 1st to determine what age group they will play. If necessary, age will be verified by the MCAA Basketball Board via a copy of your child's birth certificate. The age groups are subject to change. For the last two years, we have had separate 5-6 girls and 5-6 boys league. If we do not have 20-28 girls in the 5/6 age group register, you have the option of 1) playing in 5/6 co-ed league, 2) moving up to 7/8 girls with League Director prior approval, 3) getting a refund.

With League Director prior approval, a child may play up one age group. This will be based on the child's athletic ability to ensure for the safety of the children. No child will be able to play down one age group.

What are the major rule changes this year?

How do I sign-up to be a coach or team mom?

Volunteer sign-up can be done online when you register your child. You do not have to have basketball experience to coach a team. We are looking for good parents who can be good teachers. We offer a coaches clinic to all persons interested in being a coach. The clinic will provide you with the basic knowledge to become a coach. There is also a great website to teach you how to become a coach (or a better coach): <http://www.coachesclipboard.net/CoachingKids.shtml>

What is the Player's Clinic and is it mandatory my child attend?

The Player's Clinic at Bogan Gym is hosted by the Mill Creek High School Basketball Teams. The clinic cost is \$30 per child. We will teach kids the fundamentals of basketball. With the basic fundamentals of basketball understood, your child will have a better playing experience during the season. The fundamentals that we teach at this clinic can be practiced at home. The clinic is optional for all children. You do not have to be registered with MCAA Basketball to attend the camp. More information can be found on our website.
